## ONE FOR ALL, ALL FOR ONE!

*On October 23, 2022, our school went on a cultural trip to the City Theatre of Zlín, where students from all grades watched the play \*The Three Musketeers\*.*

*"Who wouldn't know the immortal story of friendship, honor, courage, love, and betrayal? We find ourselves in France during the reign of Louis XIII. A young d'Artagnan arrives in Paris, seeking to join the ranks of the king's musketeers. His fateful encounter with Athos, Porthos, and Aramis changes everything. Only through strong friendship are they able to resist and thwart the intrigues of Cardinal Richelieu. Sword duels to the death and d'Artagnan's touching, sincere love for the beautiful Constance Bonacieux—these are the key ingredients of one of the most famous stories."*

## TOURNAMENT OF NATIONS

*On 19.10.2024, the school's pupils participated in the "Tournament of Nations"*

*The tournament was held as part of the European project "Honoring the Memory of the Holocaust Victims" under the auspices of the President of the Czech Republic, Mr. Petr Pavel. It is not only a sports competition, but also a socio-educational activity, where the individual teams prepared presentations at a social meeting concerning events related to the victims of the Holocaust in individual countries. As an example, I can mention a topic that is processed by the pupils of the J. Šoupal Primary School, the players of the football academy, and concerns the first Jewish transport in the history of the Holocaust, which departed from Moravská Ostrava.*

*In addition to Czech teams, teams from England, Germany, Poland, Slovakia, and Hungary also took part in the tournament.*

*We created an unforgettable backdrop for the teams, especially in the match between our FC Baník Ostrava Academy and the Hungarian MTK Budapest.*
