Everything was great. The hosts made their best to provide all the necessary tools to carry out the meeting.

Everything all right 😊

Great

Very good 👍

None

Everything was very good.

Nothing

Everything was very good

Conclusion

The meeting in Latvia was fruitful and successful. The survey shows that there was enough time for all the tasks, responsibilities for every partner were equal, also opportunities to make suggestions. Organizational works and tasks before meeting were done in good quality. Time for cultural activities was balanced with project work.
